

West Herts Ramblers

Holiday Break October 2027

Dear Members.

Going on the holiday questionnaire we sent out earlier in the year, a good number of you, wanted a seaside resort, along with preference for Norfolk and Suffolk. So with this in mind I am pleased to say I have secured a hotel in Norfolk a 10 minute walk to the coast.

It's a golf complex hotel, which ticks all the boxes. Near the sea, interesting towns nearby, interesting walks, large hotel, railway station 2 minutes away and car distance less than our previous breaks.

Hotel: [The Links Country Park Hotel | The Links | North Norfolk](#)

Address: The Links Hotel, Sandy Lane, West Runton, NR27 9QH.

Date: Wednesday 6th October to Sunday 10th October 2027. 4 nights.

Cost: Cost is per person, however the hotel only has 4 single rooms, so this price will be on first come first served. After which singles will an extra £ 40 per night or £160, which does give you a double room.

£424 per person (£ 848 for a couple) + 4 singles.

£584 for a single in a double room.

Singles are always my problem. This price is slightly more than Weymouth but less than Swanage.

I have secured 20 rooms as a provisional booking, if we require more I will have to negotiate.

Price includes breakfast and evening meals (3 course Table d'hôte, each course has 4 choices) The hotel sits halfway between Sheringham and Cromer, both worth visiting. Also a railway station close by, with connection to Norwich. One of the walks I have earmarked goes to Cley next the Sea and Blakeney. Whilst further afield we have Holkham Hall near the charming town of Wells Next the Sea. The area inland from the hotel has rolling hills and woods, so we will have some variety in our walks.

Payment: A non-refundable deposit of £75 will secure your place. Booking will be through our website www.westhertsramblers.org.uk/social/holidays
