

WHR Spring Break, Swanage, 2027.

11th to 15th April 2027.

Dear Members.

I know from talking to members of our group that a holiday break in Swanage, Dorset is high on the list. I have tried unsuccessfully for many years with hotels in the area. However, that has now ended, with the Pines Hotel finally accepting. The cost at first glance seems to be very high, especially for single members.

I have provisionally booked for 4 nights, we also have the proviso of members booking 3 nights if that suits your needs better. Price includes breakfast and evening meals. A mixture of rooms are available, although single rooms are at a premium. The hotel comes highly recommended. www.pineshotel.co.uk

The area has a good mixture of places of interest. Corfe Castle, Swanage Steam Railway, Studland Bay, along with the Jurassic Coast Line. I know this area very well and the walks are plentiful. Some that come to mind are we catch the steam train at Swanage and alight at Corfe Castle and walk back via Brenscombe Hill, with fine views over Pool Harbour. Another walk follows the Coastal Path to Old Harry Rocks, then onto Studland Bay. Another one goes out to Durlston Head, following the Kings Charles III Coast Path and back via Worth Matravers.
